2019 Call for Nominations

Deadline is quickly approaching! November 1, 2017

The American Chemical Society seeks nominations for the [2019 ACS National Awards](#). The submission deadline is November 1, 2017. We encourage nominations for women, underrepresented groups and persons from industry. All nominations must be submitted online at www.nominate.acs.org.

Nominations are needed for the following awards:

- [ACS Award for Achievement in Research for the Teaching and Learning of Chemistry](#) sponsored by the ACS Exams Institute
- [ACS Award for Affordable Green Chemistry](#) sponsored by The Dow Chemical Company
- [ACS Award in Chromatography](#) sponsored by MilliporeSigma
- [Charles Lathrop Parsons Award](#) sponsored by the American Chemical Society
- [E. B. Hershberg Award for Important Discoveries in Medicinally Active](#) sponsored by Merck Research Laboratories
- [Earle B. Barnes Award for Leadership in Chemical Research Management](#) sponsored by The Dow Chemical Company Foundation
- [Frank H. Field and Joe L. Franklin Award for Outstanding Achievement in Mass Spectrometry](#) sponsored by Waters Corporation
- [Glenn T. Seaborg Award for Nuclear Chemistry](#) sponsored by the ACS Division of Nuclear Chemistry and Technology
- [Ipatieff Prize](#) sponsored by the Ipatieff Trust Fund
- [James T. Grady-James H. Stack Award for Interpreting Chemistry for the Public](#) sponsored by the American Chemical Society
- [Kathryn C. Hach Award for Entrepreneurial Success](#) sponsored by the Kathryn C. Hach Award Fund
- [Roger Adams Award in Organic Chemistry](#) sponsored by Organic Reactions, Inc. and Organic Syntheses, Inc.

For a detailed description of all the national awards and how to submit a nomination, please visit us at www.acs.org/nationalawards.

The nominator will need to submit the required documents below online before the deadline. Only complete nominations will be considered by the award selection committees. It is advisable that you gather the documents required to complete the nomination online before beginning the process to avoid delay of your submission. Please review the [Nominator User Guide](#) for more detailed information on how to submit a nomination.

Required Nomination Documents

<p>Citation (25 words or less)</p>	<p>Brief description of the work that can be inscribed on the award certificate (i.e., For his or her outstanding accomplishments...).</p>
<p>Recommendation</p>	<p>The letter should describe the nominee's work and how it is</p>

<p>Letter (750 words or less)</p>	<p>aligned with the Award's purpose, eligibility, and/or criteria of the award, the significance and impact of this work on the field/discipline, the excellence of the work, innovativeness of the approach used, the potential/realized impact and benefits of the work on society, and service to the scientific community.</p>
<p>Biographical sketch, curriculum vitae, or resume</p>	<p>Nominee's brief biographical sketch (2 pgs.) that focuses on the award and selection committee criteria. If award specifies degree and date information, please include. Please do not include a list of publications and bio patents.</p>
<p>List of Publications and Patents (20 maximum)</p>	<p>List of up to 20 of the nominee's most significant publications and patents aligned with the award.</p> <p>For the ACS Award for Creative Invention, a copy of the patent must be submitted with the nominating documents.</p>
<p>Support letter (400 words or less)</p>	<p>To assist the Selection Committee in its deliberations, the identification of one supporter and support letter is required. Support letter writers are not required to be members of the Society. These letters should be no more than 400 words and contain information not given in the recommendation letter. The support letters should clearly describe the impact of the nominee's work on the discipline/chemical enterprise and the alignment of this effort with the Award's purpose, eligibility and/or criteria.</p> <p>You may also identify a second supporter for the nomination. This second supporter/support letter is optional but recommended. However, if a second supporter is identified, a corresponding support letter of 400 words or less must also be submitted.</p>

[Webinar: Becoming Award Ready](#)

How do deserving and accomplished chemical scientists from diverse backgrounds become ACS award nominees and potentially winners? This short presentation shares the key aspects of preparing for and creating a successful nomination package for an ACS National Award.

Information for Nominators

Any individual may submit one nomination or one support letter for each award, unless that individual is a member of the Selection Committee for the same award or a current member of the ACS Board of Directors. However, Selection Committee members may submit nominations or support letters for other awards.

[Submit a Nomination!](#) – Deadline November 1, 2017

Please direct all questions concerning the national awards to the Awards Office at awards@acs.org or (800)227-5558, ext. 4575.
